Does your CAD and GIS play well together?

The OGETA Forum invites you to attend this event for Public Technologists to come together for a day of education, networking and interactive discussions of technology's role in leveraging **Geospatial** data to help streamline decision making, improve customer service, reduce costs, and improve operational efficiency.

Thursday October 20th
8:30 am—3:30 pm

Main Auditorium
State of Georgia Capitol Education Center
Georgia Building Authority
180 Central Avenue
Atlanta, GA 30303

Please call 800-948-1952 x863 or visit www.asti.com to register

Hosted by **OGETA FORUM**  **Applied Software** **Autodesk** **DLT SOLUTIONS inc.**
